***2008 Budget/Assessment Rate***

During the Board meeting on September 13, the draft version of the 2008 budget was presented.

Expenses continue to rise each year for the utilities, security fees and insurance premiums to list a few.

The board reviewed the budget and approved to leave the 2008 assessment rate at the current rate of \$325.00

The Board will continue to review all expenses to see if there is any way to reduce cost without impacting

our community. The Board acknowledged that if cost continued to rise that assessments would have to increase

in 2009. The Board will review with residents all options that might be available at the Annual Homeowners

Meeting in February 2008.

***Making An Improvement ? - Have you completed an ACC Form ?***

If you are planning a project and or any others you need to submit an ACC form in advance. The forms and additional information can be found online. Projects can not begin until your ACC form has been approved. These forms are reviewed at the monthly homeowners meetings. Please make sure you allow time for your ACC form to be processed before you plan to begin your project. ACC forms need to include all required back up which can include color samples, product samples, drawings, lot layout etc. These items are noted on the ACC form. Please include both day and evening contact numbers in case there is a need for additional information.

***Yard maintenance--it's a year round job!***

Residents are reminded that regular lawn care is required to keep our neighborhood in top shape.

**This includes mowing, edging, removing weeds and trash from your lawn.**

\*\*\*\*Also, don't forget rain and storms can make a mess! Pick up your garbage cans, covers, limbs and debris after the rain. Let's keep our neighborhood looking great! Curb appeal is an important part of neighborhood value!
