Summer Rain

With all the recent rain, the grass has really grown! While it has been difficult to find a day to cut the grass without rain, let's try to catch those sunny hours to mow!

Residents are reminded that regular lawn care is required to keep our neighborhood in top shape.

This includes mowing, edging, removing weeds and trash from your lawn.

Failure to follow these guidelines could lead to the association having to hire a local contractor / lawn service to correct the issue. All charges incurred including any legal fees will be the responsibility of the homeowner. The Board of Directors requests that residents take all deed restriction notifications seriously and address them as soon as possible. If you have any questions regarding a deed restriction issue you can contact the Management Company and or the Board of Directors using the contact information provided above.

Be A Good Neighbor - Look Out For Each Other - Get Involved

The MCCIA Board of Directors would like to thank the MCCIA residents that take the time to get involved in our community. Recently there has been a few issues that need to be addresses and residents have stepped up and provided information - sent emails - and even pitched in and mowed some lawns. If there is a need to address something please get involved - working together we can keep out neighborhood in top shape. Please keep in mind that some issues take time to address as there are legal issues that have to be addressed. Thanks you again for getting involved.
