Re: Notice of anticipated increase in costs to the Law Enforcement Services Agreements beginning in 2010

Dear Constables and Sheriff:

As you may be aware, Commissioners Court has asked Dr. Raycraft and the County Auditor to prepare a management review of the law enforcement patrol services program, which will include an analysis of all costs of the program to Harris County. On October 21, 2008, the Court authorized the County Attorney to notify the parties participating in the law enforcement services patrol program that there may be a substantial cost increase in the contractor rate beginning with renewals for the 2010 calendar year. Additionally, all interlocal agreements with governmental entities will be at the 100% rate only. Please note that a copy of this letter is being enclosed with each 2009 agreement to notify all contracting parties of a potential cost increase beginning in 2010.

If you have any questions regarding this matter, please contact me.

Sincerely,

MIKE STAFFORD  
Harris County Attorney
